## **ORP ASSISTS DEKALB COUNTY WORKFORCE DEVELOPMENT IN LEASE**

Oakhurst Realty Partners is pleased to announce that it assisted DeKalb County's Workforce Development in its search for and procurement of office space for its Youth Program in downtown Decatur. ORP delivered exactly what the program needed in a unique 2,535 square foot office space located on the second floor of the Historic Trust Building on the Square. The space will house the Youth Employment and Training Program which provides youth ages 14 to 21 with a broad range of coordinated services that include assistance in academic and occupational learning, development of leadership skills, preparation for further education, additional training and eventual employment. The uplifting, one-of-a-kind space is fitting for the program and will ensure a sense of dignity and place that dovetails with the program's mission.
