ORP REPRESENTS THE VILLAGE VETS OF LILBURN - STONE MOUNTAIN

Oakhurst Realty Partners represented The Village Vets of Lilburn – Stone Mountain (“VVLSM”) in its search for a new space to relocate and expand. The new location totals 5,300 square feet and more than doubled its number exam rooms. Anchored by Kroger and located at a key intersection, VVLSM benefits from excellent visibility, high traffic counts and excellent area demographics. In addition, Oakhurst was the Project Manager for the build-out of the space from shell. For more information, please visit www.thevillagevets.com.
