OVERVIEW

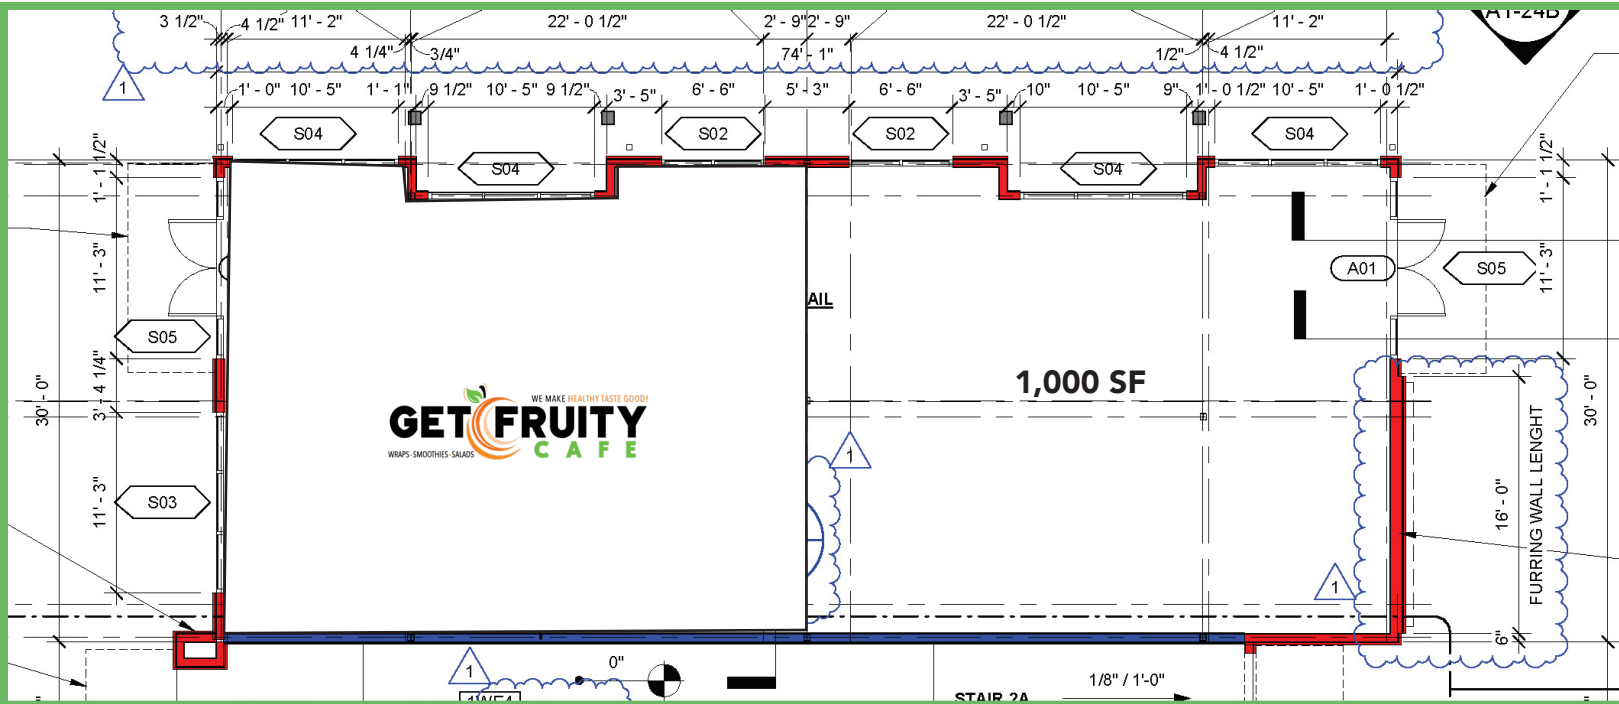

The Fairburn Hwy. 74-Senoia Rd. corridor is a booming retail sub-market featuring national food and beverage brands Starbucks, Chick-fil-a, McDonalds, Firehouse Subs and more. As the main east-west connector between Peachtree City and I-85, Hwy. 74 is a heavily commuted state road featuring 35,600 vehicle counts per day. The retail bays feature easy access from Hwy. 78 with a full red light interchange.

OSLO is home to 500 new residents who together with adjacent multi-family projects are quickly forming an active residential community. Retail tenants will be able to capitalize on the residential buying power and the nearby vehicular traffic. Ideal uses for the retail space include destination food and beverage offerings, café/ coffee, bakery, indie restaurants, pet boutique, clothing and gift shops.
